Three Kings Public House is an independently owned restaurant established in 2011 in the Delmar Loop — now with 4 locations. We offer upscale global pub food with an emphasis on fresh ingredients, grown by local farmers in Missouri and Illinois. Sourcing our produce from nearby farms decreases our overall carbon footprint and assures you of the freshest produce picked at the peak of the season. What’s more, we serve all natural, non-GMO Midwest Beef, grain finished, pastured beef and chicken. Three Kings also offers a large variety of beers on tap and an extensive cocktail and wine selection.

We have won numerous local awards for our popular appetizers, burgers, and craft beers, as well as national recognition for our uniquely breaded chicken wings.

Come see why Three Kings is a local favorite.
